

Curry Rise & Bray Road NEWSLETTER

December 2023

Consultation Launch Event Tuesday 28 November

Thank you very much to those who attended our event – we hope you found it useful!

We held the event for residents to:

- **Gather your valuable local knowledge**
- **Understand your design priorities**
- **Gather your views and ideas**
- **Understand your concerns and answer your queries.**

If you were unable to attend and would like to know more, please do make contact to book in a meeting with us at 1 Curry Rise. You can view the information boards, speak with members of the team and give us your feedback. There will also be further events in 2024 which we will let you know about.

Alternatively, you can view the information on our website **curryandbray.commonplace.is** which will be a hub for all information relating to any potential development.

Feedback forms were available at the launch event

Have your say!

It's not too late to give us your views about where you live and what you think is important. All feedback received will shape the way forward and inform future events.

Please complete the questionnaire online or collect a questionnaire from 1 Curry Rise, which can then be filled out and dropped back.

Cameras

Did your children take a camera from our event? We are really looking forward to seeing their photos! Please return them to the estate office along with the consent forms or contact us if you'd like us to collect them **by 9th January**.

We still have some cameras remaining, so if your children would like to take some photos of their estate, please do let us know. Email: millhilleast@nhg.org.uk
