

Curry Rise & Bray Road NEWSLETTER

May 2024

Welcome to our sixth Curry Rise & Bray Road resident newsletter.

This week you will be receiving the landlord offer documents and information on how to vote in the upcoming resident ballot. These documents cover the broad vision and the priorities for the redevelopment of Curry Rise & Bray Road and you should read them carefully ahead of the residents' ballot.

The Ballot

✓ YES ✗ NO

The ballot will ask whether existing residents agree with the estate redevelopment proposal detailed in the landlord offer document.

You will be asked to vote 'yes' or 'no' on the following question:

'Are you in favour of the proposal for the redevelopment of Curry Rise and Bray Road?'

Who will run the ballot?

Civica Election Services (CES), an impartial and independent organisation, will manage the registration and ballot process in line with GLA guidance.

How do I cast my vote?

Information on how to vote will be explained clearly on your ballot paper, which you will receive by post from CES. You will be able to vote using one of the following methods: Post, Online, Telephone.

Housing Management Matters

Car parking on the estate

NHG will be working closely with the parking management company to check that all vehicles on the estate hold a parking permit. Any abandoned vehicles will be investigated and removed from the estate.

Resident Steering Group (RSG) round up

The RSG held their latest meeting on Tuesday 21 May to review the Landlord Offer documents that you will receive this week. They will continue to meet and be involved throughout the redevelopment process.

Information from all our previous resident consultation events is available on our website at curryandbray.commonplace.is as well as the frequently asked questions (FAQs).
