## What is the commitment?

This engagement commitment sets out how we can work together to make decisions that affect the safety of your building. This could be about works being carried out or how your building is managed for example. Your Building Safety Manager (BSM) Andre Sandiford has put this together based on an engagement strategy created by Notting Hill Genesis, as well as Notting Hill Genesis' own processes.

## Methodology

As your BSM, I aim to work with you to keep your building safe. To do this I visited your building to carry out an inspection on the 21st of April 2025. During this visit I knocked a few resident doors to check what they knew about fire safety in your home. During the inspection I found no major issues, and the minor issues picked up have been raised for repairs with your Property Manager.

I sent a building safety survey to understand your information needs, vulnerabilities and awareness of building safety in the month of April 2025 by email to understand how we can work together to keep your building safe. You told me that you required more information about fire safety, I provided all residents with the building safety flyer, link to the building safety survey and myself and your property manager answered questions related to the communal door repairs, combustible items in and around the building and other non-fire and structural related questions. I also informed you that your building had been registered with the Building Safety Regulator (BSR) and provided you with the registration number and the BSR's contact number for any concerns that you might want to bring to their attention.

In the email, I also sent you a letter to inform you about the fire strategy for your building and the importance of fire doors, your responsibilities and those of NHG in keeping your building safe. I invited you to attend a drop-in surgery on the 1<sup>st</sup> of May 2025 to further get your views and opinions and answer any queries or provide clarification. We will continue to hold at least one resident meeting and one drop-in session yearly to give updates and get your views on how we are managing your block.

This commitment was created in April 2025 and will be reviewed in April 2027 or earlier if you tell us we need to.

## How we will share this with you

To cater for the diverse needs of our residents, we can communicate in a broad range of ways. We aim to provide this information in different formats that can be understood by all residents including those that have a physical or visual impairment, have other disabilities or who speak another language:

- At sign up
- NHG's annual 'refresher f information'
- On our website & local notice boards
- At Resident Drop in surgeries
- During building inspections with NHG
- Face to face appointments
- At pop up sessions
- By introductory & animation videos
- Local newsletters
- Via email
- Via postal or hand delivered letter
- Via text
- Fire Action Notices

## Types of information you would like to see

- Action to take in the event of fire or structural emergency
- General information to understand legislation impacting your home including the Building Safety Act and the Fire Safety England Regs
- Resident and landlord responsibilities
- Changes in fire strategy
- Remediation works
- Other major works
- Costs

## What decisions you would like to be involved in

- We encourage residents to get involved in making decisions relating to the safety of their buildings
- We encourage residents to create resident associations to have a voice in the management of their buildings. If you would like further information on setting up a Resident's Association, please contact your BSM

## How you can influence decisions

- Proactively seeking out resident feedback and using that information to tailor our building safety approach
- Surgeries in person and online
- Building & Estate walkabouts with Housing Officer
- Inclusion at Residents Association meetings
- Get involved through your Residents Association. If your building does not have RA and you would like to start one, please contact your housing officer for support and guidance in setting one up

## How we'll gather and use your opinions

- We'll keep a record on our Workwise system from our interactions as listed above
- We'll gather your thoughts in line with our usual GDPR policies, just like when you contact us about anything else.
- We will feedback to you any decisions made using the information you have told us

## How we'll measure and review this commitment

- Measure the number of cases raised on Workwise reviewing building safety content
- Writing to you annually to let you know what engagement and influence that has had
