

www.nhg.org.uk

Dear residents of Wenlock Street,

This is an update regarding the upcoming balcony removals at your block.

You may have already seen balconies being removed from the neighbouring block. We will now begin works on your building from Monday 9th March, starting with the courtyard-facing balconies. On Tuesday 10th March, we will remove all remaining balconies on the front and rear elevations of the block.

To ensure the works can take place safely and without delay, please note the following:

What we need from you

- Your balcony must be fully cleared before the removal date.
- Access into your flat will be required on the day your balcony is being removed so the contractors can access the balcony fixings from inside.

If you are unable to be home on the required day, please either:

- Arrange for a trusted neighbour to hold a key and provide access, or
- Contact me directly to discuss alternative arrangements.

You can reach me on 07880 081187.

Kind regards,
Najmul Islam -Project Manager
