**BUILDING REMEDIATION UPDATE**  
**WENLOCK STREET**

**SENIOR PROJECT MANAGER:** Ethan Fitzharris  
**PROJECT MANAGER:** Najmul Islam  
**DATE:** 15<sup>th</sup> May 2026

Dear residents of Wenlock Street,

We are writing to inform you that we will require access to your property between 26 May and 5 June, between the hours of 8:00am and 4:00pm.

During this time, our appointed electrician will need to attend to isolate the electrics to the external light fitting. This will involve isolating the internal light switch that controls the balcony light, ensuring that no power is supplied to the external fitting.

Please ensure that the light switch is easily accessible and not obstructed.

The electrician will only require approximately 20 minutes to complete the works.

Please contact the Site Manager, Duncan Ouchterlonie, on 07966 115064 to book a suitable appointment within this period.

If we do not receive sufficient bookings, please note that we may carry outdoor knocking to gain access. This is to ensure the works are completed on time and are not delayed.

We apologise for any inconvenience caused and appreciate your cooperation.

Kind regards,  
Najmul Islam -Project Manager
